

It is the hope of the Weber Center for the Performing Arts, La Crosse Community Theatre, and Viterbo University that during these dates and times, that construction noise be kept to a minimum. The main theater in our facility sits only 40 feet from Front Street, with only a garage door as a barrier for sound.

The Weber Center for the Performing Arts wants to ensure the 8,000 plus patrons that will be attending these events the best experience possible.

Thank you,

Dillon McArdle
Executive Director
