WITNESSETH:

WHEREAS, the RDA wishes to retain a Project Manager to perform certain management services in connection with the development of the land known as River Point District, (the "Development"), into a mixed-use community, (the "Project"), and Project Manager is willing to perform such services, all pursuant to the provision of this Agreement; and

WHEREAS, the Project Manager and the RDA desire to coordinate publicity and certain other matters pertaining to the Development, as further set forth herein; and

NOW THEREFORE, for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Appointment and Acceptance.

1. Subject to the provisions of this Agreement, the RDA hereby engages and appoints Project Manager as an independent contractor to be its exclusive project manager to manage the Development and the Project for the Term (as defined below). Project Manager hereby accepts the appointment set forth in this Section 1 and agrees to manage the Development and the Project for the Term in accordance with the terms and conditions hereinafter set forth.
2. Project Manager shall serve as an agent of the RDA and at times be the spokesperson for the Development subject to approval of the RDA and coordination with City Planning staff, and (i) in consultation with the RDA, Project Manager shall handle all "official" communications with the media regarding the Project, (ii) the RDA shall forward all business inquiries regarding the Development to Project Manager, and (iii) without limiting the ability of the RDA officials to reply to routine press inquiries, official RDA press releases regarding the Development may be reviewed and approved in advance by Project Manager, such approval not to be unreasonably withheld. RDA and Project Manager shall cooperate in good faith to maintain an overall marketing plan for the Development, (the "Marketing Plan").

3. Project Manager understands and acknowledges that RDA is subject to the Public Records Law of the State of Wisconsin. As such, Project Manager agrees to store and transfer to the City all records as defined by Wis. Stat. § 19.32(2) applicable to this Agreement for its use and retention for a period of not less than seven (7) years after the termination or expiration of this Agreement. Project Manager agrees to assist RDA in complying with any public records request that RDA receives pertaining to this Agreement, provided that, RDA provides Project Manager with a written copy of any public records request promptly after receipt. Additionally, Project Manager agrees to indemnify and hold harmless RDA, its elected and appointed officials, officers, employees and authorized representatives for any liability, including, without limitation, attorney fees related to or in any way arising from Project Manager's actions or omissions which direct result in the RDA's inability to comply with the Public Records Law. In the event that Project Manager decides not to transfer its full and complete records associated with this agreement, then it shall provide written notice to RDA whereupon RDA shall take custody of said records assuming such records are not already maintained by RDA. This provision shall survive the termination or expiration of the Agreement.

Term.

1. (a) The initial term, (the "Initial Term"), of this Agreement shall commence on the Effective Date and shall end one year following the Effective Date, (the "Expiration Date"), unless sooner terminated as provided herein or by written agreement of the parties. (b) The term of this Agreement may be extended by one (1) month or (1) year periods, (the "Extended Term(s)"), by mutual written agreement of the parties.

Notwithstanding any other provision of this Agreement, Project Manager shall have no authority to execute any contract, agreement, letter of intent or other instrument on behalf of RDA or otherwise act on behalf of RDA with respect to the negotiation or consummation of any such agreement, except as RDA may otherwise direct in writing. Therefore, the following are generally considered acceptable performance metrics for the Project Management position under this agreement:

3. Elevating the project through expert management in order that it achieves the goals of the RDA's Redevelopment Master Plan.
4. Maintaining excellent relationships with project partners and prospective partners in representing the RDA well in its endeavor to redevelop its real estate holdings.

The maximum aggregate Monthly Retainer under this Agreement for the Initial Term (twelve months) shall be one hundred eleven thousand six hundred dollars (\$111,600.00). In the event the term is extended, then RDA shall continue to pay the Project Manager the Monthly Retainer for each month after the Term that the Project Manager is providing the services hereunder.

Expiration and Termination.

1. If Project Manager shall (i) default in the performance in any of its material obligations (defined as the scope of work outlined herein) hereunder, and such default shall continue for thirty (30) days after notice of such default by the RDA, unless such default cannot reasonably be cured within such thirty (30) days and Project Manager diligently prosecutes same, then RDA shall have the right to terminate this Agreement immediately upon written notice thereof delivered by RDA to Project Manager, and Project Manager's right to receive any further Monthly Retainer will be terminated. Land sales and sale closings pending at the time of termination which were commenced as referenced in Compensation for Services, 2. i. will remain as a compensation obligation beyond the termination of this agreement.
