To Whom It May Concern,

Craig's Towing is requesting that the city of La Crosse to vacate a street on the northside of La Crosse. The street we are requesting is located south of the corner of Wood Street and Island Street. It is a cul de sac between two of our properties: 1224 Island Street and 410 Wood Street. We are hoping to take ownership of the street and maintain the property.

Sincerely,

Craig's Towing
