Subject: reconsideration
Andrea,

Will you please sponsor the reconsideration of 20-0273. This is the same one you held out at council for me.

The owner agreed it is in their and the city's best interest to not combine parcels crossing the Campbell water and fire service area. So the reconsideration is to have a revised CSM. The revised CSM will have 2 parcels, one fully in the Campbell fire and water area and one fully out of the area.
