Hello, council members!

Please accept this short but heartfelt support for the conversion therapy ban proposed by Council Member Mac Kiel. That such an obviously harmful practice is still supported by so many people in our community signals to me that there is an even greater need for this ban than I ever imagined.

Council Member Neumeister was right to compare conversion therapy to child abuse at the J & A meeting. It is a dangerous, outdated, and cruel practice that deserves to be confronted at every level of leadership, including city government.

Thank you,

Jessica Thill
