To Whom It May Concern -

My name is Kristin Valdez Espinoza, and I am the homeowner of 1029 Redfield St., La Crosse, WI, where I live with my husband, Iam, and our one-and-ahalf-year-old son, Oliver. I am opposed to the proposed plan for the empty 10th behind our house on Denton St. Having eight garage stalls and several units directly behind our house would greatly increase the traffic, noise, and congestion in the alley. There are already many duplexes, apartments, and rental homes in this area, and the addition of these townhomes is not the best use of this space. In order to increase property values and attract long-term residents, the lot would be better utilized for single-family homes. There have been several new single-family homes built in the neighborhood, so it seems mas reasonable that this space could be used for the same purpose. In short, I do not support the plan to build these townhomes behind my property. TOTELLEGOR Charle any equestions cone wedering ectant hatien

Sincerely,

Kurt Valdy Espinion
