Council Members,

As you discuss and decide how the 2022-2026 CIP Budget gets allocated, please consider the following items as priority. Our City is unique and offers outdoor spaces for many. Our community as a whole gets healthier as we protect and increase outdoor areas.

I'd like to continue seeing money put into the health of our people and the health of our land by making sure the following items show up on future plans.

441 Trails and Bluffland Improvements
551 Marsh Hydrological Study and Implementation
688 Wagon Wheel Connector Trail
700 Chad Erickson Lagoon Trail Stabilization
23 Myrick Park Playground (this park is a key trailhead and link for many of our regional trails)
682 Red Cloud Park Trail
714 Lueth Park
739 Hixon Forest Rehabilitation

Thank you for your time,
