Dear Council Members and Mayor Reynolds,

I am a long time resident of this area.

I am in support of Resolution in support of #22-0977. One of the most important things we can do as citizens for our next generation is to work diligently to combat climate change.

This resolution declares a climate emergency, committing to policies that reduce greenhouse gas (GHG) emissions and accelerating the clean energy transition, and supporting intergovernmental cooperation to reduce GHG emissions.

**Please support resolution #22-0977.**

Mary Nelson
