RE: The Finish Line of La Crosse  
Proposed Planning Commission Review

Mr. Acklin,

Please refer to the enclosed site plan and exterior elevation for The Finish Line of La Crosse located at 2110 Enterprise Avenue in La Crosse, WI. Our intent of this submission is to gain Planning Commission approval for the following exterior and site alterations:

- New exhaust fans on South wall servicing interior paint spray booths.
- New air handler, placed at grade, on South side of building.

The building plans for the required interior remodel of the space will be under separate review submittal to the State of WI. There will be no changes to zoning, building size, grading, landscaping, or signage under this scope of work.

Please do not hesitate to contact me with any questions or comments you may have regarding this matter.

Sincerely,

Kyle Olson, Design Team Leader  
DBS Group, LLC
