SlideRoom Pricing Document.pdf;

Hi Zachary,

I am so sorry. I thought I sent the follow-up email last week, but apparently, I never pressed send, and it was in my draft box in Outlook. My apologies. - I copied and pasted the info to this email.

It was great chatting!

I know we went over this during our call, but I wanted to share it via email. Our pricing structure is two-fold. The first is the annual fee for using the software. Our Basic Plan is \$1200, but since you're a non-profit, which would be \$960 annually. It contains almost all the features of SlideRoom and is by far the most popular. The plans increase in price with the addition of more features. However, the Basic Plan comes with everything most organizations need. With the Basic Plan, you can have up to 5 live programs simultaneously, unlimited admins/reviewers, unlimited storage, etc... - I attached the pricing/features sheet.

Then, we charge a submission fee. The price ranges from \$5 to \$15 per submission. The application fee is based on the number of uploads: 0-5 uploads are \$5 per application, 6-25 uploads are \$10, and 26-40 uploads are \$15. The fee is only incurred when the applicant submits.

There is no fee for started and abandoned applications. Additionally, you will be able to control how this fee is paid. You can be billed for the application fees, the applicants can cover the costs of submissions, or you can collect an additional payment from your applicants through SlideRoom.

Also, as promised, the recording of the demonstration:

Please let me know if you have any questions.

Thanks,  
Sean

Hi Sean,

Thanks for taking the time to meet with us last week for the SlideRoom demo. When you have a moment, can you send me a quote that breaks down the pricing structure, along with a link to the meeting recording? I need to forward these items to our city hall by tomorrow, so we're able to vote on them in our December meeting. If it's possible to send me things by tomorrow afternoon it would be most appreciated!

Thanks!

Zach Stensen

Hi Sean,

Thanks for contacting me. I just scheduled a meeting with you on Tuesday. Is it possible for me to share the meeting invite with my colleagues, so they can see the demo?

Best,

Zach

Dear Zach:

Thank you for your SlideRoom inquiry.

I'd be happy to provide you with a demonstration of the applicant/administrative portal and answer any questions you may have. The demo does not exceed 20-30 minutes, but I would like to block off 45 minutes for the demo and Q&A. Would you please click on the link and select a date/time that works best for you: [SlideRoom Demo](#)

I am looking forward to hearing from you!

Thanks,  
Sean
