

SPECIAL ASSESSMENT PROCEDURE
FOR
PROPERTY OWNERS

As a property owner proposed to be assessed for improvements that benefit your property, following is a summary of the procedure you are invited to be a part of:

1. Plans and specifications for the proposed improvement and a schedule indicating an estimate of the cost to be assessed against your property are now open to inspection in the Engineering Department, Fourth Floor of City Hall. Office hours are 8:30 a.m. to 5:00 p.m., Phone (608) 789-7505.
2. Public Hearing to be held before the Finance and Personnel Committee of the Common Council at **6:00 p.m. on July 6th, 2017**, in the Council Chambers. You are invited to speak for or against the project or your proposed assessment at this meeting.
3. You may also object or express approval of the improvement or your assessment by submitting a letter to the City Engineer, 400 La Crosse Street, La Crosse, Wisconsin, 54601 stating your reasons for objecting. This written objection must be received by the City Engineer no later than 5:00 p.m. on the day of the Finance and Personnel meeting.
4. Property owners may also wish to express their approval or objection to the assessment by contacting their Council Member.
5. The assessment resolution is either approved or denied by the Common Council at the regular Council Meeting at **6:00 p.m. on Thursday, July 13, 2017**. The public can not speak at this meeting.
6. If the Common Council adopts the Resolution For Levying Special Assessments, property owners will be sent a copy of the resolution by the City Clerk.
7. Assessments may be paid in cash or shall be payable over a period of ten years or fifteen years to the City Treasurer. Installments shall be placed on the next tax roll after the due date for collection and shall bear interest at the rate established by the council per annum on the unpaid balance from January 1st of the year following the levy.

The interest rate for this project is projected to be **2%**.

8. The assessments indicated for this project are based on ESTIMATES of the proposed work costs. After construction has been completed, the FINAL assessments will be determined and may be LOWER than the assessments indicated. DO NOT MAKE ANY PAYMENT TO THE CITY AT THIS TIME.

If the final costs are higher than Estimated, the city will pay the extra cost.

9. City participation in project costs:

Alley Paving –

The City pays all the cost of any storm sewer work required and all the cost of each alley end approach.

The City also pays for 20% of the remaining costs.
