I would like to register opposition to the considered adaptation of Section 32-191 of the city's ordinances at this time until further PUBLIC discussion is allowed for and would pray that would be allowed prior to a decision in this matter. This definition and ordinance is way too broad in spectrum and leaves too much to be interpreted and overturned by a court, local or appellate.

I'm asking you to consider a WELL ANNOUNCED, with due diligence, public hearing on the full council level ,

Thank you for your consideration,

Respectfully,

Dean P. Ciokiewicz
