

Eagle Sculpture

- Artist will sand, use a bonding primer, and use professional level acrylic paints to add realistic colors and detail to the entire fiberglass sculpture.
- Sculpture will be immediately identifiable as a bald eagle.

All artwork, designs, and sketches copyright Sarah J. Pederson, 2025. Digital designs may be a combination of photographs and hand sketching and merely representational of the painted mural. Artist does not give recipient permission to distribute or share with public, including designers and decorative artists before signing of Commission Agreement.
