Caley,

The invoices were both mailed to 2541 Loomis Street. There are two code enforcement building addresses, 1326 N Salem Rd and also 2521 Loomis St. Both properties are owned by the church and are adjacent to each other.

Will I be able to know approximately how soon in the agenda my issue will be addressed? I currently have a 10:45 am appointment on Monday, February 7.

Thank you for your help.

Daniel Habegger

Hi Daniel,

Thanks for your message. This item will need to be added to the February 7th Board of Public Works agenda. Our two staff that have the pictures/invoices are not in the office today so I have no way of obtaining the attachments for your dispute. Could you provide the address of the invoices? I will make sure to pass along your request to Community Risk Management so these can get added for the 7th. Please let me know if you have any questions.

Thank you.

Mayor Reynolds and Staff,

My name is Daniel Habegger. I am the pastor at Temple Baptist Church on the North Side of La Crosse. We recently received two invoices totaling more than \$900 for snow removal performed on January 8. I would like to request an appearance before the Board of Public Works this coming Monday, January 31, in order to seek better understanding on this issue.

Thank you for your consideration.
