To whom it may concern,

I am writing this waiver to inform you about the house property on 922 6<sup>th</sup> Street South, La Crosse, WI. During the year of 2006 the economy came down and selling homes were hard. For the next two years we tried to sell the home unsuccessfully and finally came down deciding to just renting the home out. Knowing that since we have moved into our new home, we couldn't pay both property tax on both home and our income wasn't enough to cover both property taxes, we decided to rent out. Since it was our first experience to rent out a property we didn't know of the procedures to make out of a rental property. Ever since then we are currently renting out the property for 4 tenants. The lease contract has just been renewed in July of 2013. I would like to continue to keep this property as a rental unit for my tenants. If you have any more questions, please call me at (608) 433-6241. I may need a Hmong interpreter as my English is not as proficient. Thank you.

Sincerely,

Thong Lee
