Hello Ms. Olson,

I am a constituent of yours and have been living at 1232 Mississippi Street in La Crosse since 1988. I am writing to urge you to reject the application from Jeff Fennie for a Conditional Use Permit requesting demolition of the former Coulee Council building at 921 West Avenue for a new parking lot.

That area, particularly the traffic from the Taco Johns turning down the alley is dangerous, with a blind intersection posing continuous risk to residents. Additional parking will only make this situation worse with increased noise and traffic into the alley.

Thank you for your consideration.
