THE COMMON COUNCIL of the City of La Crosse does ordain as follows:

SECTION I: Section 44-108(c) is amended to read as follows:
Sec. 44-108 Special parking exemptions.

(c) Trade Vehicles
(1) The Fire Department—Division of Fire Prevention and Building Safety Police Parking Utility may issue to the owner or contractor of a building undergoing renovation, as evidenced by the issuance of a building permit, three parking permits each exempting one contractor work vehicle or panel van from one-hour and two-hour parking limits while such vehicle is in service upon payment of a permit fee of in the amount established by resolution for up to 90 consecutive days. A permit card signed placard and issued by the Fire Department—Division of Fire Prevention and Building Safety Police Parking Utility permit shall be issued to each permittee, which shall be displayed on the driver's side of the vehicle's rearview mirror, displaying the address of the building undergoing renovation, whenever parked contrary to such time limits. The contractor work vehicle or panel van shall only be permitted to be parked on the same block face as the building undergoing renovation or construction.

(2) If such permittee knowingly allows another driver or vehicle to take advantage of the exemption, the City Police Department, Fire Department—Division of Fire Prevention and Building Safety or Parking Utility Staff may immediately revoke the permit, in addition to other penalties provided in this article.

SECTION II: Should any portion of this ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, the remainder of the article shall not be affected.
