Dear Members of the Common Council:

The Housing Authority of the City of La Crosse is requesting exemption from the parking requirements for the proposed duplex to be located at 428 7th Street South in La Crosse. This exemption is being requested with hopes of using an existing Housing Authority owned fifty-seven stall parking lot that is adjoining the duplex property. Currently, the Housing Authority has distributed parking pass assignments to 32% of the lots' capacity for Stokke Tower residents with lot use also acting as visitor and over-flow parking for Stokke Tower and adjacently owned Housing Authority high-rises in the event they are needed. Being parking pass assignments are required, this lot is monitored daily where we have observed an average of 58% lot capacity with no records of exceeding 67% capacity with daily use.

We would ask the Common Council for consideration in approving our parking exemption request to utilize an adjoining Housing Authority owned parking lot that is capable of designating two handicap accessible parking stalls specifically for the proposed duplex.

Sincerely,

HOUSING AUTHORITY OF THE CITY OF LA CROSSE
