I don't believe there were any utility concerns with this one, as it is an update and we have final design plans. This can be Utility approval as well.

Matt – are you approving on the Utilities end or were you also giving the thumbs up for the Engineering side?

Subject: For Review: CSM - Badger St. & 12th St. N (BadgerWest Project)

Good afternoon,

Attached for your review is a resubmittal of a CSM for the BadgerWest project at 12th St./Badger St./West Ave. The original submittal was approved around July of 2025, but was held up from final signature due to a few Engineering requirements related to the project (including a partial vacation of 12th St.).

Since then, enough changes were made that required a brand new CSM be reviewed.

Please let me know if you have any comments/corrections or if you approve of the CSM.

Thank you,

SONDRA CRAIG, WCMC (she/her)
