Hotels were a disaster, Houska a disaster. Both cost taxpayers thousands of dollars.

If you are hell bent on repeating those mistakes...the only specified area should be the green space by the county building for outdoor camping and the 7 th street lot so the city and county councils, employees can reap the benefit of their decisions in allowing homeless camping. Can't believe you would designate area near schools, neighborhoods for homeless camping.

Other option...a bus or train ticket to a sanctuary city in CA, WA.
