### Agenda Items:

- 2 [14-0019](#) Bicycle Sharing Feasibility Study Progress Report - JM

*Jill Miller did not attend, so she could not give a status report.*

- 3 [14-0614](#) Bicycle-Friendly University (UW-L) - LK

*UW-L currently would not qualify for Bicycle-Friendly Communities Honorable Mention, so James Longhurst plans on working on getting there during his sabbatical next academic year. BPAC shared resources for funding and information that could help on the application.*

- 4 [14-0570](#) Review of Bicycle and Pedestrian Plan Benchmarks - LK

**Attachments:** [Benchmark Progress Spreadsheet, 05/20/2013](#)

*The Bicycle and Pedestrian Master Plan contains 58 benchmarks (59 with an additional benchmark from the Walk-Friendly Communities feedback). This number was too great to review during the meeting, so the committee members decided to review them individually in preparation of next meeting to discuss what is already being tracked and what should be tracked.*

5     [14-0572](#)     Walk Friendly Communities Recommendations - LK

**Attachments:**     [Walk-Friendly Award Feedback](#)

*Three of the four recommendations from Walk-Friendly Communities overlap with benchmarks in the Bicycle and Pedestrian Master Plan; the non-overlapping recommendation is to be added to the bicycle and pedestrian benchmark spreadsheet.*

6     [14-0299](#)     Ciclovía Event - LK

**Attachments:**     [Open Streets Guide](#)  
                              [Madison's Ride the Drive Operations Manual](#)
