Nikki Elsen met with a group of volunteers that host special events in La Crosse and did a great job of explaining the proposed Special Event Application and Fee.

I have some reservations regarding this proposal. Most of us are volunteers of non-profit groups or community service organization, doing work that enhances our community and brings additional revenue to the city. Each of our groups already apply for licenses and permits. A simple addition to those forms can serve as the document that can be shared with other city departments so they are aware of our events. Thank you and I will be present at the upcoming public hearings. Terry Bauer, Chair of the Valley View Rotary Moon Tunes Concerts.
