

**AMENDMENT NO. 4 to
ENGINEERING SERVICES AGREEMENT
Effluent Phosphorus Compliance Plan (Project)
Original Agreement Executed July 21, 2015**

This Amendment is by and between:

City of La Crosse (Owner)
400 La Crosse Street
La Crosse, WI 54601

and

Donohue & Associates, Inc. (Donohue)
3311 Weeden Creek Road
Sheboygan, WI 53081

Who agree to amend the original Agreement, as follows:

PART I – B. SCOPE OF SERVICES

The services have been modified to include the following additional activities as outlined below.

1. Prepare for and attend three meetings with the public and/or partners (e.g., surrounding communities, significant industrial users, and/or their representatives).
2. Evaluate the collection and treatment system implications associated with two Town of Shelby growth scenarios, working collaboratively with the City, Town, and the Town’s Engineer. Each evaluation will consider several land development scenarios, and the flows and loadings associated with those scenarios. Donohue will assess collection system and treatment facility capacity implications and, if necessary, develop first-order cost opinions to eliminate capacity restrictions.
3. On behalf of the City, complete and submit an ITA/PERF to the Wisconsin Department of Natural Resources by the October 2019 deadline.

PART III – A. COMPENSATION

Compensation for the services set forth in Part I shall be increased \$27,455 for the Scope Services as defined above in Part I. With the increases delineated above, the total contract amount is \$221,272.
