To Whom It May Concern,

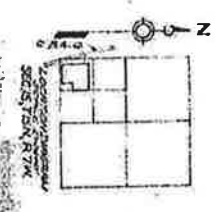

The Parks, Recreation & Forestry Department is requesting that Springbrook Park, located at 3519 Springbrook Way La Crosse, WI, be renamed to Lee A. Allen Park. Lee was a big advocate for Springbrook Park and helped make it what it is today. Lee lived across from Springbrook Park and was President of the Springbrook-Clayton Johnson Neighborhood Association and instrumental in renovating the park into a wonderful playground with a shelter and bathrooms along with a pet and handicapped friendly water fountain. Lee was very proud and was quoted in a previous newspaper article stating:

“This spot had no trees, no nothing. It had been dormant for 52 years,” said Allen, who has lived across the street from the park for the past 15 years. “It wasn’t being used. The mayor gave it 115 percent all the way. The park board, the water and sewer, the forestry department all worked hard for me and let me be the boss. It’s really brought life to the park. The older generation are leaving and the young families are moving in and they need this.”

Lee passed away May 11, 2019 and in honor of all of his hard work and dedication to the Parks Department and the development of Springbrook we request the park be renamed after him.

Sincerely,

Parks, Recreation & Forestry Staff
