I understand that the City Council will be meeting tonight to potentially reconsider their decision to create an ordinance to prohibit conversion therapy for children under 18.

I will be unable to attend this meeting but want to express my strong view that this ordinance should be nullified or rescinded. It is clearly an assault on our basic rights of freedom of speech and freedom of religion, to say the least.

I kindly request that you pass this on to all City Council members before this evening's meeting.

Sincerely,

Dave Konkol
