Honorable Mayor and  
Common Council Members

Re: **13-0136** Resolution approving the Powell-Hood-Hamilton/Gundersen Lutheran Medical Center Joint Neighborhood Campus Development Plan.

Ladies and Gentlemen:

The Board of Public Works considered the above matter at their meeting today, and recommended the same be adopted with direction for the following amendments to the plan:

- direct the Planning Department to insert language in the plan that the Municipal Service Center on Isle la Plume be reconsidered for replacement/relocation if in the future it becomes feasible.
- authorize the Planning Department to revise page 44 as it relates to the name of Poake Park and if they lived there or not, and potential future location of south side community garden at the Southside Neighborhood Center.

Sincerely,

  
Richard A. Swantz  
President
