

individuals who told me about the bar. I have never gone to Latino with an individual over the age of 21.

7. Upon information and belief , Latino Bar does not review IDs to the same level of scrutiny as other local bars. Bouncers just check that the ID looks like the individual. I have not attempted to enter any other bar in La Crosse due to fear of getting in trouble.
8. The process of having my ID checked at the door of Latino Bar was extremely fast, wherein the front photo was given a glance and then compared with my appearance. I used a fake Illinois ID to gain entrance to the bar. Based on my recollection, my ID was not scanned. I was never asked for a second form of ID when entering Latino Bar. I was not asked any questions such as my date of birth or address.
9. I have never observed bartenders requesting ID from patrons when ordering alcoholic beverages, nor have I ever seen or heard of someone presenting ID to a bartender. I have never been asked for an ID when ordering an alcoholic beverage at Latino Bar. Both my friends and I have ordered alcoholic beverages from Latino Bar.
10. I do not know of, and have not heard of, any other bar in the La Crosse area which is known as a freshman or underage bar.
