Section 6. Security. The Bonds and any bonds issued by the City in the future on parity with the Bonds from the security revenue sources hereinafter stated (“*Additional Bonds*”), together with premium (if any) and interest thereon, shall be payable only out of the Special Redemption Fund as hereinafter provided, and shall be a valid claim of the owners thereof only against the Special Redemption Fund and from the Revenues on deposit in such fund, the same being the Revenues available after deduction of the Operation and Maintenance Expenses (as hereinafter defined) (the “*Net Revenues*”), and sufficient Revenues are hereby pledged to the Special Redemption Fund, and shall be used for no purpose other than to pay the principal of, premium (if any) and interest on the Bonds and any Additional Bonds as the same fall due.

The City is not obligated to pay any deficiency on the Bonds from its general tax levy or other available funds of the City.

Section 7. Prior Lien Bonds; Parity Bonds. The City will issue no bonds or obligations of any kind or nature payable from or enjoying a lien on the Revenues or the property of the System having a priority over the Bonds, but may issue Additional Bonds on the terms and conditions set out in Section 11 hereof.

Section 8. Funds and Accounts; Application of Revenues. Upon the issuance of the Bonds, the System shall be continued to be operated on a fiscal year basis, the “*Fiscal Year*” of the System meaning the twelve (12) month period beginning on January 1 of each year and ending on December 31 of the same year. All of the Revenues shall be set aside as collected and be deposited into a separate fund, which fund has heretofore been created and designated as the “*Water System Revenue Fund*” (the “*Water Fund*”) of the City, and is expressly continued under this Resolution, and which fund shall constitute a trust fund for the sole purpose of carrying out the covenants, terms and conditions of the Bonds and any Additional Bonds, and shall be used only in paying Operations and Maintenance Expenses, paying the principal of and interest on all obligations of the City which by their terms are payable from the Revenues, funding the debt service reserve account, providing for an adequate depreciation fund, and providing for the establishment and expenditure from the respective accounts as hereinafter described. “*Operation and Maintenance Expenses*” shall mean the reasonable and necessary cost of operating, maintaining, administering and repairing the System, including the purchase of water at wholesale, salaries, wages, cost of materials and supplies, including routine repairs and renewals, management fees paid to third parties, insurance and audits, and such other reasonable current expenses as shall be determined in accordance with generally accepted accounting principles, but excluding the costs of capital expenditures, replacements, depreciation, debt service, debt service reserves (including repayments with respect thereto), special assessments or payments of or in lieu of property taxes.

For the purpose of carrying out the provisions of the Act, there are hereby created within the Water Fund separate funds and accounts to be known as the “*Operation and Maintenance Fund*”, the “*Water System Special Redemption Fund*”, the “*Debt Service Reserve Fund*”, the “*Depreciation Fund*” and the “*Surplus Fund*” to which there shall be credited on or before the first day of each month by the Treasurer, without any further official action or direction, in the order in which said funds and accounts are hereinafter mentioned, all moneys held in the Water Fund, in accordance with the following provisions:

(i) *Operation and Maintenance Fund.* There shall be credited to or retained in the Operation and Maintenance Fund an amount sufficient, when added to the amount then on deposit in said Account, to establish or maintain a balance to an amount not less than the amount considered necessary to pay Operation and Maintenance Expenses for the then current month.

(ii) *Special Redemption Fund.* There shall be deposited into the Special Redemption Fund the amount necessary to provide for the payment of a fractional amount of the interest on the Bonds and any Additional Bonds becoming due on the next succeeding May 1 and November 1 (each an "*Interest Payment Date*") and a fractional amount of any principal on the Bonds and any Additional Bonds becoming due on the next succeeding May 1 (the "*Principal Payment Date*") until there shall have been accumulated in such Fund on or before the month next preceding an Interest Payment Date or Principal Payment Date an amount sufficient to pay such principal, if any, or interest or both of all outstanding Bonds and Additional Bonds coming due on such Interest Payment Date or Principal Payment Date.

In computing the fractional amount to be set aside each month in said fund, the fraction shall be so computed that sufficient funds will be set aside therein and will be available for the prompt payment of such principal of and interest on the Bonds and outstanding Additional Bonds as the same will become due and shall be not less than one-sixth of the interest becoming due on the next succeeding Interest Payment Date and not less than one-twelfth of the principal, if any, becoming due on the next succeeding Principal Payment Date on all outstanding Bonds and Additional Bonds until there is sufficient money in said Account to pay such principal or interest or both.

Credits to the Special Redemption Fund may be suspended in any Fiscal Year at such time as there shall be a sufficient sum, held in cash and investments, in said Fund to meet principal and interest requirements in said Fund for the balance of such Fiscal Year, but such credits shall be resumed at the beginning of the next Fiscal Year.

All moneys in the Special Redemption Fund shall be used only for the purpose of paying interest on and principal of the Bonds and outstanding Additional Bonds.

It is the express intent and determination of the Council that the amounts transferred from the Water Fund and deposited in the Special Redemption Fund shall be sufficient in any event to pay the interest on the Bonds and any Additional Bonds as the same accrues and the principal thereof as the same matures.

(iii) *Debt Service Reserve Fund.* There shall be deposited into the Debt Service Reserve Fund any amounts necessary to bring the amount in said fund up to the amount required by any future resolution of the Council providing for the issuance of Additional Bonds (the “*Debt Service Reserve Requirement*”). The Debt Service Reserve Requirement with respect to the Bonds is \$0. Amounts in the Debt Service Reserve Fund are not pledged to the payment of the Bonds. Future resolutions of the Council may provide additional terms related to the use of funds in the Debt Service Reserve Fund as necessary in connection with the issuance of Additional Bonds.

(iv) *Depreciation Fund.* There shall be credited to the Depreciation Fund and held, in cash and investments, such sum as the Council may deem necessary in order to provide an adequate depreciation fund for the System.

Amounts to the credit of the Depreciation Fund shall be used for (i) the payment of the cost of extraordinary maintenance, necessary repairs and replacements, or contingencies, the payment for which no other funds are available, in order that the System may at all times be able to render efficient service, (ii) for the purpose of acquiring or constructing improvements and extensions to the System, and (iii) the payment of principal of or interest on any outstanding Bonds or Additional Bonds at any time when there are no other funds available for that purpose in order to prevent a default.

(v) *Surplus Fund.* All moneys remaining in the Water Fund, after crediting the required amounts to the respective accounts hereinabove provided for, and after making up any deficiency in said accounts, shall be credited to the Surplus Fund. Funds in the Surplus Fund shall first be used to make up any subsequent deficiencies in any of said Funds and Accounts and then at the discretion of the Common Council, for the remainder of all surplus Revenues, for one or more of the following purposes without any priority among them:

1. For the purpose of constructing or acquiring repairs, replacements, improvements or extensions to the System; or
2. For making transfers to the Fund generally to be applied and treated as Revenues when transferred; or
3. For the purpose of calling and redeeming the Bonds and any Additional Bonds; or
4. For the purpose of purchasing outstanding Bonds or Additional Bonds; or
5. For the purpose of paying principal of and interest on any subordinate bonds or obligations issued for the purpose of acquiring or constructing repairs, replacements, improvements or extensions to the System; or

6. For any other lawful System purpose.

(vi) *Deposits and Investments.* The Special Redemption Fund shall be kept apart from moneys in the other funds and accounts of the City and the same shall be used for no purpose other than the prompt payment of principal of and interest on the Bonds and any Additional Bonds as the same becomes due and payable. All moneys therein shall be deposited in special and segregated accounts in a public depository selected under Chapter 34, Wisconsin Statutes and may be temporarily invested until needed in legal investments subject to the provisions of Section 66.0603(1m), Wisconsin Statutes. The other funds herein created (except the Water System Program Project Fund (as hereinafter defined)) may be combined in a single account in a public depository selected in the manner set forth above and may be temporarily invested until needed in legal investments subject to the provisions of Section 66.0603(1m), Wisconsin Statutes.

Section 9. Service to the City. The reasonable cost and value of services rendered to the City by the System by furnishing services for public purposes, shall be charged against the City and shall be paid by it in installments as the service accrues, out of the current revenues of the City collected or in the process of collection, exclusive of the Revenues derived from the System, and out of the tax levy of the City made by it to raise money to meet its necessary current expenses. However, such payment out of the tax levy shall be subject to (a) any necessary approval of the Public Service Commission of the State, or successors to its function, (b) annual appropriations therefor and (c) any applicable levy limitations; but neither this Resolution nor such payment shall be construed as constituting an obligation of the City to make any such appropriation over and above the reasonable cost and value of services rendered to the City and its inhabitants or make any subsequent payment over and above such reasonable cost and value. Such compensation for such service rendered to the City shall, in the manner hereinabove provided, be paid into the funds provided for in Section 8.

Section 10. Covenants and Representations of the City. The City hereby covenants and represents to the owners of the Bonds that:

(i) It shall faithfully and punctually perform all duties with reference to the System required by the Constitution and Statutes of the State, including lawfully establishing reasonable and sufficient rates for services rendered by the System and collecting, depositing, applying and segregating the Revenues of the System to the respective funds and accounts described in Section 8 hereof;

(ii) It will cause the Project to be constructed as expeditiously as reasonably possible;

(iii) It will not sell, lease, or in any manner dispose of the System, including any part thereof or any additions or extensions that may be made part thereto, except that the City shall have the right to sell, lease or otherwise dispose of any property of the System found by the Council to be neither necessary nor useful in the operation of the System, provided the proceeds received from such sale, lease or disposal shall be

paid into the Special Redemption Fund or applied to the acquisition or construction of capital facilities for use in the normal operation of the System, and such payment shall not reduce the amounts otherwise required to be paid into the Special Redemption Fund;

(iv) It will pay or cause to be paid all lawful taxes, assessments, governmental charges, and claims for labor, materials or supplies which if unpaid could become a lien upon the System or the Revenues or could impair the security of the Bonds;

(v) The City will maintain the System in reasonably good condition and working order, will operate the System and will establish, charge and collect such lawfully established rates and charges for the service rendered by the System so that the Revenues of the System will be sufficient to make the payments to the funds and accounts created by this Resolution and to provide for the payment of the Bonds and any Additional Bonds and which shall be sufficient to produce annual Net Revenues in each Fiscal Year which, in the aggregate, will amount to the greater of (i) 1.10 , or (ii) the highest debt service coverage ratio required with respect to any outstanding obligations payment from the System, times the maximum amount of debt service due in any Fiscal Year on the Bonds and any Additional Bonds and interest thereon (*“Maximum Annual Debt Service”*);

(vi) The City will not incur any additional debt secured by the Net Revenues except in accordance with Section 11 hereof;

(vii) The City will prepare a budget not less than sixty (60) days prior to the end of each fiscal year and, in the event such budget (taking into account income, unencumbered surplus and expense) indicates that earnings for each year will not exceed debt service for each corresponding year by the proportion stated above, will take any and all steps permitted by law to increase rates so that the aforementioned proportion of earnings to debt service shall be accomplished as promptly as possible;

(viii) The Bonds are issued for purposes for which the City is authorized to issue Revenue Bonds;

(ix) The City will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the City, in which complete and correct entries shall be made of all transactions relating to the Project, the Revenues, the Water System Fund and the funds and accounts thereof. Such books of record and accounts shall at all times during business hours be subject to the inspection of the registered owners of not less than ten per cent (10%) of the principal amount of the Bonds or their representatives authorized in writing; and

(x) It will carry for the benefit of the owners of the Bonds insurance of the kinds and in the amounts normally carried by private companies engaged in the operation of similar systems. All money received for losses under any of such insurance policies, except public liability, shall be used in repairing the damage or in replacing the property destroyed, but in the event the City shall deem it not advisable

to repair such damage or replace such property, and that the operation of the System shall not have been impaired thereby, such money may be deposited in the funds described in Section 8, but shall not reduce the amount otherwise required to be paid into said funds.

Section 11. Additional Bonds. (a) *General.* No bonds or obligations payable out of the Revenues may be issued in such manner as to enjoy priority over the Bonds without the consent of the State. Additional obligations may be issued if the lien and pledge is junior and subordinate to that of the Bonds.

(b) *Additional Bonds.* Additional Bonds may be issued only under the following circumstances:

(1) Additional Bonds may be issued for the purpose of completing the Project and for the purpose of financing costs of the Project which are ineligible for payment under the Program. However, such Additional Bonds shall be in an aggregate amount not to exceed 20% of the face amount of the Bonds; or

(2) Additional Bonds may also be issued if all of the following conditions are met:

(A) The Net Revenues of the System for the Fiscal Year immediately preceding the issuance of such Additional Bonds must have been in an amount at least equal to the maximum annual interest and principal requirements on all bonds outstanding payable from the Revenues, and on the bonds then to be issued, times the greater of (i) 1.10 or (ii) the highest debt service coverage ratio to be required with respect to the Additional Bonds then to be issued or on any debt obligations payable from the Net Revenues then outstanding. Such Net Revenues may be demonstrated by the audited financial statements of City for such Fiscal Year or, if such audited financial statements are not yet available for such Fiscal Year, by certification of the Mayor, City Treasurer or Finance Director of the City, or any of them. Should an increase in permanent rates and charges, including those made to the City, be properly ordered and made effective during the Fiscal Year immediately prior to the issuance of such Additional Bonds or during that part of the Fiscal Year of issuance prior to such issuance, then Net Revenues for purposes of such computation shall include such additional revenues as a registered municipal advisor, an independent certified public accountant, consulting professional engineer or the Wisconsin Public Service Commission may certify would have accrued during the prior Fiscal Year had the new rates been in effect during that entire immediately prior Fiscal Year.

(B) The payments required to be made into the funds and accounts enumerated in Section 8 of this Resolution must have been made in full.

(C) The Additional Bonds must have principal maturing on May 1 of each year and interest falling due on May 1 and November 1 of each year.

(D) The proceeds of the Additional Bonds must be used only for the purpose of providing extensions or improvements to the System, or to refund obligations issued for such purpose.

Section 12. Operation of System; City Covenants. It is covenanted and agreed by the City with the owner or owners of the Bonds, and each of them, that the City will perform all of the obligations as set forth in the Financial Assistance Agreements.

Section 13. Sale of Bonds. (a) The sale of the Series 2026A Bonds to the State pursuant to the Program for the purchase price of up to \$2,870,605, and at par, is ratified and confirmed; and the officers of the City are authorized and directed to do any and all acts, including executing the Series 2026A Financial Assistance Agreement and the Series 2026A Bonds as herein above provided, necessary to conclude delivery of the Series 2026A Bonds to said purchaser, as soon after adoption of this Resolution as is convenient. The purchase price for the Series 2026A Bonds shall be paid upon requisition therefor as provided in the Financial Assistance Agreement, and the officers of the City are authorized to prepare and submit to the State requisitions and disbursement requests in anticipation of the execution of the Series 2026A Financial Assistance Agreement and the issuance of the Series 2026A Bonds.

(b) The sale of the Series 2026B Bonds to the State pursuant to the Program for the purchase price of up to \$831,268, and at par, is ratified and confirmed; and the officers of the City are authorized and directed to do any and all acts, including executing the Series 2026B Financial Assistance Agreement and the Series 2026B Bonds as herein above provided, necessary to conclude delivery of the Series 2026B Bonds to said purchaser, as soon after adoption of this Resolution as is convenient. The purchase price for the Series 2026B Bonds shall be paid upon requisition therefor as provided in the Financial Assistance Agreement, and the officers of the City are authorized to prepare and submit to the State requisitions and disbursement requests in anticipation of the execution of the Series 2026B Financial Assistance Agreement and the issuance of the Series 2026B Bonds.

Section 14. Disposition of Bond Proceeds; Tax Exemption; No Arbitrage; Bonds to Remain in Registered Form; Reimbursement. The proceeds from the sale of the Bonds shall be disbursed as follows and not otherwise:

(a) Accrued interest on the Bonds, if any, shall be deposited in the Special Redemption Fund of the Water System Fund.

(b) The balance of the proceeds of the Bonds shall be deposited into a special fund designated as "Water System Program Project Fund." The Water System Program Project Fund shall be used solely for the purpose of financing a portion of the Project, as more fully described in the preamble hereof and in the respective Financial Assistance Agreement. Moneys in the Water System Program Project Fund shall be disbursed within three (3) business days of their receipt from the State, and shall not be invested in any interest-bearing account.

The Designated Officials of the City, or any of them, are hereby authorized to execute on behalf of the City a Tax Exemption Certificate and Agreement (the "*Tax Exemption Certificate*") to assure the purchasers and owners of the Series 2026A Bonds that the proceeds of the Series 2026A Bonds are not expected to be used in a manner which would or might result in the Bonds being "reimbursement bonds" issued in contravention of Section 1.103-18 of the United States Treasury Department Regulations (the "*Regulations*") or "arbitrage bonds" under Section 148 of the Internal Revenue Code of 1986, as amended (the "*Code*"), or the Regulations currently in effect or proposed. Such Tax Exemption Certificate shall constitute a representation, certification and covenant of the City, and shall be incorporated herein by reference, and no investment of Series 2026A Bond proceeds or of moneys accumulated to pay the Series 2026A Bonds herein authorized shall be made in violation of the expectations prescribed by said Tax Exemption Certificate. Such Tax Exemption Certificate shall constitute an agreement of the City to follow certain covenants which may require the City to take certain actions (including the payment of certain amounts to the United States of America) or which may prohibit certain actions (including the establishment of certain funds) under certain conditions as specified in such Tax Exemption Certificate.

The City further recognizes that Section 149(a) of the Code requires the Series 2026A Bonds to be issued and to remain in fully registered form in order that the interest on the Series 2026A Bonds continue to be excludible from the gross income of the owners thereof for Federal income tax purposes under laws in force at the time the Series 2026A Bonds are delivered. In this connection, the City agrees that it will not take any action to permit the Series 2026A Bonds to be issued in, or converted into, bearer or coupon form.

Section 15. Amendment to Resolution. After the issuance of any of the Bonds, no change or alteration of any kind in the provisions of this Resolution may be made until all of the Bonds have been paid in full as to both principal and interest, or discharged as herein provided, except: (a) the City may, from time to time, amend this Resolution without the consent of any of the owners of the Bonds, but only to cure any ambiguity, administrative conflict, formal defect, or omission or procedural inconsistency of this Resolution; and (b) this Resolution may be amended, in any respect, with a written consent of the owners of not less than two-thirds (2/3) of the principal amount of the Bonds then outstanding, exclusive of Bonds held by the City; *provided, however*, that no amendment shall permit any change in the pledge of the Net Revenues or the maturity of any Bond issued hereunder, or a reduction in the rate of interest on any Bond, or in the amount of the principal obligation thereof, or in the amount of the redemption premium payable in the case of redemption thereof, if any, or change the terms upon which the Bonds may be redeemed or make any other modification in the terms of the payment of such principal or interest without the written consent of the owner of each such Bond to which the change is applicable.

Section 16. Defeasance. When all Bonds have been discharged, all pledges, covenants and other rights granted to the owners thereof by this Resolution shall cease. The City may discharge all Bonds due on any date by irrevocably depositing in escrow with a suitable bank or trust company a sum of cash and/or bonds or securities issued or guaranteed as to principal and interest by the U.S. Government, or by a commission, board or other instrumentality of the U.S. Government, maturing on the dates and bearing interest at the rates required to provide funds sufficient to pay when due the interest to accrue on each of said Bonds to its maturity or, at the

City's option, if said Bond is prepayable to any prior date upon which it may be called for redemption, and to pay and redeem the principal amount of each such Bond at maturity, or at the City's option, if said Bond is prepayable, at its earliest redemption date, with the premium required for such redemption, if any, *provided* that notice of the redemption of all prepayable Bonds on such date has been duly given or provided for.

Section 17. Rebate Fund. The City shall establish and maintain, so long as the Series 2026A Bonds and any Additional Bonds are outstanding, a separate account to be known as the "Rebate Fund." The Rebate Fund is for the sole purpose of paying rebate to the United States of America, if any, on amounts of Series 2026A Bond proceeds held by the City. The City hereby covenants and agrees that it shall pay from the Rebate Fund the rebate amounts as determined herein to the United States of America.

The City may engage the services of accountants, attorneys or other consultants necessary to assist it in determining rebate amounts.

Amounts held in the Rebate Fund and the investment income therefrom are not pledged as security for the Series 2026A Bonds and any Additional Bonds and may only be used to pay amounts to the United States of America.

The City shall maintain or cause to be maintained records of such determinations for each Bond Year until three (3) years after payment in full of the Series 2026A Bonds and any Additional Bonds and shall make such records available upon reasonable request therefor.

The City hereby agrees it will disburse all monies in the Rebate Fund to the United States of America at the times and in the manner set forth in the applicable income tax regulations.

Section 18. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the City and the owner or owners of the Bonds, and after issuance of any of the Bonds no change or alteration of any kind in the provisions of this Resolution may be made, except as provided in Section 15 hereof, until all of the Bonds have been paid in full as to both principal and interest. The owner or owners of any of the Bonds shall have the right in addition to all other rights, by mandamus or other suit or action in any court of competent jurisdiction, to enforce such owner's or owners' rights against the City, the Council, and any and all officers and agents thereof including, but without limitation, the right to require the City, its Council and any other authorized body, to fix and collect rates and charges fully adequate to carry out all of the provisions and agreements contained in this Resolution.

Section 19. Continuing Disclosure. The officers of the City are hereby authorized and directed, if requested by the State, to provide to the Program and to such other persons or entities as directed by the Program such ongoing disclosure regarding the City's financial condition and other matters, at such times and in such manner as the Program may require, in order that securities issued by the City and the Program satisfy rules and regulations promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended or may be amended from time to time, imposed on brokers and dealers of municipal securities before the brokers and dealers may buy, sell, or recommend the purchase of such securities.

Section 20. Record-Keeping Policy and Post-Issuance Compliance Matters. On October 14, 2021, the Council adopted a record-keeping policy (the “*Policy*”) in order to maintain sufficient records to demonstrate compliance with its covenants and expectations to ensure the appropriate federal tax status for the debt obligations of the City, the interest on which is excludable from “gross income” for federal income tax purposes or which enable the City or the holder to receive federal tax benefits, including, but not limited to, qualified tax credit bonds and other specified tax credit bonds. The Council and the City hereby reaffirm the *Policy*.

Section 21. Severability of Invalid Provisions. If any section, paragraph or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining sections, paragraphs and provisions of this Resolution.

Section 22. Conflicting Ordinances, Resolutions and Orders Superseded. All ordinances, resolutions or orders, or parts thereof, heretofore enacted, adopted or entered, in conflict with the provisions of this Resolution shall be, and the same are hereby, superseded to the extent of such conflict, and this Resolution shall be in effect from and after its passage.
