To whom it may concern,

I am writing with the intentions to voice opposition in allowing camping at Houska Park. In the past we have had numerous issues that affected business and employee safety at the Lacrosse branch. Issues ranged from theft, vandalism, drug paraphernalia, indecent exposure, defecation on our sidewalk and trespassing in our yard. Our employees felt as if they had to constantly monitor the facility including their vehicles parked under Cameron St bridge. Our customers voiced concerns from coming to our place of business. In the time since camping was restricted in this area the problems listed have subsided. We would like to ensure it stays that way, so we are voicing our concern in opposition to allow camping back at Houska park.

Respectfully submitted,

Andy Young / Branch Manager
