Good afternoon.

I was told there is debate regarding large item pick up being changed for 2025.

For me this has never worked. I get missed and told that I didn't not have my items out on time and end up hauling things myself or risk blight tickets.

It's convenient for me at the end of May and not September. This allows for spring purging. I would hope we could implement it twice a year instead of annually. We pay enough taxes this should be a thing.
