

To whom it may concern,

12-23-13

We are asking for your help. We have lived in our home at 2007 Sunrise Drive here in LaCrosse for the past 13 1/2 years. We have loved this home and it has served our needs well throughout the years. The last few years we have been struggling with paying all of our expenses. With much thought and discussion my husband and I decided this last August to put our house for sale, knowing that was the only way we were going to be able to get caught up on expenses and have a fresh start. My husband has had a few job changes over the last few years. He was laid off twice due to the economy. He is only trying to provide for his family the best he can. So in August we put our house for sale with our realtor Kent Gabrielson. After much activity on the internet sites with people looking at our house and several open houses we have not received any offers. We have lowered the price from the original price as far as we can go. Still no offers. In November my husband was offered a job in Wichita Falls Texas. This is a very good opportunity for our family. As of December 2<sup>nd</sup> my husband has been living in Texas in a house we found and working his new job. On Jan 6<sup>th</sup> we will be moving to our new home in Texas with all of our belongings. We never had the intention of

renting out our home here in LaCrosse or being landlords. But as of January 1<sup>st</sup> 2014 ~~with~~ we will have 2 mortgages and expenses to pay for. There is no way we can afford to do this. We would probably end up losing our house in LaCrosse. So I think that our only option is to be able to rent our house in LaCrosse until it sells. We are asking for your help by giving us permission to rent out our house just until it sells. Thank you for your time.

Sincerely,

Mike + Teresa Konzen
