

Resolution authorizing a partnership with Enterprise Fleet Management to transition the City to leasing eligible fleet vehicles in order to update the fleet vehicles on a more frequent cycle and in a more cost effective manner.

RESOLUTION

WHEREAS, the City's fleet of vehicles is aging and repair and maintenance costs continue to rise because of an aging fleet, and

WHEREAS, the City would like to turn over vehicles in the fleet more frequently resulting in safer vehicles, increased efficiency and reduction in maintenance costs, and

WHEREAS, the City currently borrows funds on 10-year promissory notes to fund new vehicle purchases, and

WHEREAS, the Finance Department has been exploring working with Enterprise Fleet Management to transition to a leased fleet in order to replace vehicles on a more regular cycle within our financial constraints.

NOW, THEREFORE BE IT RESOLVED that the City of La Crosse Board of Public Works approves pursuing a partnership with Enterprise Fleet Management to lease City vehicles in order to update the City's aging fleet.

BE IT FURTHER RESOLVED that the City of La Crosse authorizes its Mayor and Director of Finance to effectuate this resolution.
