This is government overreach and conflicts with our 1st Amendments rights of freedom of speech and freedom of religion! Also the freedom for parents to raise their kids with their own beliefs. This has gotten so far out of hand. I thought this was the land of the free, home of the brave? Feels more and more like communism every day. That there is an ordinance being decided on this is shocking, God help us all!!! Please do the right thing for the children and for families, don't let this be an ordinance or law!
