### **Miller Bluff Clean Up**

Date: Saturday April 24<sup>th</sup>

Time: 9am-3pm

2 shifts with a limit of 50-75 people each shift. (All dependent on Health Dept regulations at the time)

- 9am-11:30 First Shift
- 11:30-12:30 Complimentary Lunch (Provided by ORA)
- 12:30-3pm Second Shift

A socially responsible clean up event to help clean up trash and graffiti in the Miller Bluff area. There will be on-site supervisors to collect sign ins, distribute trash bags, gloves, and maps of designated clean up area. Because there will have been a controlled burn in the prairie before this, we can flag areas where volunteers should not go if necessary, and on-site supervisors will also be able to communicate this to them using a map. We will direct volunteers to park in the Forest Hills lot to help keep the Lower Hixon lot open for trail users. Like the Grand Clean Up, we would need a dumpster on site. With the location of the trash, we believe having it located at the end of Bluff Pass road will be the most optimal position. We will try to acquire a dumpster through donation but may ask the city to provide one if a donation cannot be secured.

Goals:

- Graffiti Clean Up
- Trash Removal

Requested of Parks and Rec

- Cooperation in sharing of event
- May need a dumpster provided.
