Hello,  
We have received the attached resolution and after review have some questions/concerns.

The vacation of 33 ft of right of way will no longer meet the minimum right of way ordinance for a public street in the City of La Crosse.

Is the intent of this vacation to have this portion of 12<sup>th</sup> St to become an alley?

Will any parcels be land locked with this proposed vacation?

Please let me know what the intent of this vacation is to be.
