Re: **13-0490** Resolution approving the creation of a pilot program to allow the installation of up to five parklets.

Ladies and Gentlemen:

The Board of Public Works considered the above matter at their meeting on June 23, 2014, and recommended it be ADOPTED with amendment to the application deleting the reference to colored zones. Further, to amend the Resolution under the second Be if Further Resolved to delete "and approval" so it reads "that the installation of parklets shall require review by the Board of Public Works via a Street Privilege Permit or Revocable Occupancy Permit...".

Sincerely,

Tim Kabat
President
