

The map displays a grid of streets and property lots. The main streets shown are East Aves (vertical) and Market St (horizontal). Other streets include Winnebago St, 19th St, and 20th St. The map displays numerous property lots, each labeled with a unique address. A red circle highlights a specific area in the center of the map, centered around the intersection of East Aves and Market St. This area includes several lots, some of which are highlighted in green. The map also shows the location of 7 Rivers Community High School, marked with a red arrow. The map is a technical drawing, likely a GIS map, showing the layout of the neighborhood and the specific area of interest.
