Re: Memo of Understanding
Sidewalk at Hillview Avenue and La Crosse Street

Whereas, concrete sidewalk was previously built partially on parcels with multiple municipal functions and authorities, including but not limited to parks, utilities, and publicly access roadway and pedestrian facilities under consensus and shared approval of said authorities, as the City of La Crosse cannot grant itself a recordable easement for perpetual use thereof, and, the Wisconsin Department of Transportation Project No.

7575-07-73 will reconstruct La Crosse Street between West Avenue and Losey Boulevard, and the sidewalk at the North East corner of Hillview Avenue and La Crosse Street needs to be built on Myrick Park land to meet grading requirements.

Therefore, the City of La Crosse Board of Public Works hereby permits the Wisconsin Department of Transportation to install sidewalk on Myrick Park lands near the intersection of Hillview Avenue and La Crosse Street, and the City of La Crosse Parks Board concurs with action.
