Total Bid Price						\$ 17,000.00

Exclusions/Clarifications/Notes

- Bonds and Permits are excluded.
- Traffic Control consists of shutting down road at each intersection
- Bypass pumping and gravel base is excluded
- Utility disconnects if any (gas, electrical, cable, fiber, etc.) are excluded.
- A locate request thru Diggers Hotline will be submitted. However, private lines (gas, electrical, cable, fiber, etc.) are to be located by others. If not Gerke Excavating is not responsible if damaged.
- EBS is not included for soft spots if sub-grade does not meet requirements.
- Existing soils shall be used for onsite grading. No import of granular fill is included.
- Soil Shoring-due to close proximity of existing structure, if needed, is excluded.
- Not responsible for thawing or snow removal for winter conditions.
- Testing is excluded.
- Asphalt, concrete and patch work is excluded.
- Any landscaping items (seeding, fertilizer, mulch, sod, mulch, bushes, plants, trees, etc.) are excluded.
- Erosion control blanket is excluded.
- Removal of polluted or hazardous soils, if found, is excluded.
- Temporary shoring, underpinning, struts or bracing, if needed, is excluded.
- Repair of any cracking to existing foundations or adjacent structures due to heavy equipment being used is excluded.
- Any repair or restoration to remaining building(s) is excluded.
- All items are tied without discussion.

Sincerely,

Eric Stickney
 Gerke Excavating
