We currently have eleven vacant sworn positions with one additional vacancy planned by the end of May.

Four Officers are currently attending the Police Academy.

From our most recent hiring process, we are excited to bring seven individuals forward for approval to hire. One person will begin training as an Officer in our Field Training program. The other six will attend the June 720 hour Academy at Western Technical College.

Succession Planning

As part of our ongoing succession plan for this busy year, I plan to bring another request for promotion to the June meeting.
