Farnam Street Taxpayer Resident Properties' request that line item #937 be removed from Reference # 24-0744 from the 2025-2029 CIP, sidewalks on Farnam Street from 28th Street S. to Cliffwood Lane.

The survey from February 2024 shows that 15/15 or 100% of the effected Farnam Street Taxpayer Resident Properties' did not know about the proposed sidewalks, did not request sidewalks, and are opposed to sidewalks on Farnam Street from 28th Street S. to Cliffwood Lane.

The Petition from July 2024 shows that all contacted Taxpayer Resident Properties' are opposed to sidewalks on Farnam Street from 28th Street to Cliffwood Lane. 14/15 Taxpayer Resident Properties' that were home(1 resident was contacted several times, but not home) shows 93%. 14/14 Taxpayer residents show 100%.

**Petition to remove line item 937 from reference # 24-0744**

**Summary: The Farnam Street, Taxpayer Residents do not support the proposal for sidewalks from 28th Street South to Cliffwood Lane on Farnam Street. Farnam Street is in a 50-70 year old established low traffic neighborhood with NO history of any pedestrian accidents and a low priority for sidewalks.**

**Action: We, the undersigned concerned taxpayer residents on Farnam Street, urge the Finance and Personnel Committee and Common Council to remove line item 937, sidewalks from 28th Street South to Cliffwood Lane on Farnam Street, from the 2025-2029 CIP reference # 24-0744.**
