**Subject:** FW: Homeless shelter

We should be attaching these to the legislation from Tuesday night.

Hello,

I am extremely concerned about this homeless shelter being in my backyard. This does not belong next to residential tax payers. We live in neighborhoods for a reason. There are walking paths near there that connect to neighborhoods. Myself and hundreds of other tax paying citizens would appreciate our voices being heard. We do not want this in our backyards. Keep it downtown where no one lives.
