Dear Council Members,

I urge you to uphold the Local Historic Landmark designation for the South Branch Library. I attended the meeting of the Heritage Preservation Commission on May 23, 2024, when the designation was enacted, and I read the nomination letter. I also read the Mayor's appeal letter. It is clear the appeal is frivolous and has no valid basis.

The Heritage Preservation Commission, members of the Holy Trinity-Longfellow Neighborhood Association, and numerous citizens support the landmark designation and want to see it upheld. The many letters of support on the Legistar page alone should be evidence enough to persuade you to vote against the Mayor's appeal.

Thank you for your time.

Respectfully,

Andrew Hamilton
