

La Crosse Pride 2021

La Crosse PRIDE is an all-age event dedicated to promoting human rights, celebrating diversity within our community, challenging discrimination, and working towards full equality for all families, while fostering a safe and welcoming environment. The event features LGBTQ and Ally vendors, information and community services.

Last Pride saw vendors from La Crosse County Foster Care, League of Women Voters, HRC, LGBTQ friendly shops, the La Crosse Library, Planned Parenthood, New Horizon, the YWCA and AARP to name a few. We also have food vendors that provide foods not only for our event but for Moon Tunes as well.

We will be requiring that all vendors and staff wear masks and will follow all mandated Health Department requirements.
