

OFFICE OF THE MAYOR
LA CROSSE

Proposed City Hall Lobby Enhancement Plan

- Create centralized informational desk with electronic kiosk/directory
 - Remove current black informational stand/signage
- Create public seating area
- Create historical display area
 - Remove current display cases from lobby
 - Current artifacts/documents are not being preserved properly and get too much light
 - Move fountain and marble piece near historical display area and add signage to include who donated the pieces as well as what they are
 - Contact taxidermist to possibly clean bald eagle display
- Create display area for community artwork (rotating artwork)
- Remove current tri-standing bulletin board and create a wall tracking system to hang meeting notices and event posters, etc.
- Remove current sister city pendants and replace with Sister City flags, previously displayed at airport and add signage for sister cities
- Add plants for greenery
- Move cash machine to second floor near Treasurer's Office
- Clean up awards wall area
