Judiciary and Administration
Attention Bob Seaquist
Cc Teri Lehrke,
Stephen F. Matty
Eric Coaty

Dear Mr. Seaquist,

We are writing to request a hearing to contest the nonrenewal of a liquor license for Stateside LLC dba the Mint, located at 1810 Statestreet in La Crosse.

We are aware we have not met the required timeline to maintain our current license. However, we have come to a crossroad where the additional time required to surrender and re-apply may cost us the majority of our staff that we have lined up. We would like to request an additional 60 days with the intent to have inspections done in 30 day s time. We are currently working with Sage Plumbing, Ron Hammes Refrigeration, and Kellogg Investments LLC Electrical Contractor. All of whom have stated that the 30 day timeline is acceptable for completion of their work.

Thank you for your time and consideration

Sincerely,

Don Schmitz
