Property is Presently Used For:

Vacant farmstead

Property is Proposed to be Used For:

Construction of 11 town homes and associated utilities, drive aisles, parking areas, and pedestrian walkways.

Proposed Rezoning is Necessary Because (Detailed Answer):

The City of La Crosse currently considers townhomes an acceptable use for medium-density residential, and possibly compatible with low-density residential uses. However, no residential uses in municipal code allow for multiple primary residences on the same parcel.

Proposed Rezoning will not be Detrimental to the Neighborhood or Public Welfare Because (Detailed Answer):

According to the City of La Crosse 2040 Comprehensive Plan, this parcel is within the Swift Creek neighborhood. Both low- and medium-density residential uses are considered desirable within this neighborhood. The proposed use is consistent with the neighborhood, and will have no foreseeable detriment to the public welfare.

Proposed Rezoning will not be Detrimental to the City's Long Range Comprehensive Plan Goals, Objectives, Actions and Policies Because (Detailed Answer):

Rezoning to TND - General will allow the parcel to have single-family dwellings at a higher density than would typically be possible through existing zoning. Desirable future uses for this area include low- and medium-density residential, low-intensity mixed, neighborhood retail, and open space. Rezoning will have no impact on these goals.
