### MEMORANDUM

TO: Councilperson Audrey Kader

DATE: June 26, 2014

FROM: Dale Hexom

SUBJECT: Parking Utility On-Call

Resolution 14-0654 requires an amendment.

The Parking Utility Grounds Staff also maintain the parking ramp gates. They are generally more knowledgeable in the operation of the gates than the CSE's. There may be times when a CSE with the knowledge of the gate operation is not available to take the on-call. It would then be appropriate for the Parking Utility Grounds Staff to be on-call.

The resolution as written does not grant or direct Public Works, the Department currently responsible for implementing the ramp gates, authority to implement the resolution.

Attached is a proposed amendment.
