Dear City Plan Commission,

My husband, Keith Belzer, and I live at 225 9th Street South, La Crosse. We recently learned about the Haven on Main housing development and want to express our support for the project. The project resonates with us as we had an adult nephew with a traumatic brain injury that would have greatly benefited from a supported living environment. Projects such as this help normalize individuals with all types of differences.

Thank you for your consideration.

Jane Klekamp  
Keith Belzer
