

Ref. # 11333

Parcel: 017020187130

Address: 1019 Cass St.

I am writing in reference to the notice I received in regards to ordinance of registering my rental property of the above address. As caretaker of this property, I/we were very much unaware of this ordinance that we needed to register this as a rental unit. This unit has been acting as a rental for several decades and never occurred to us that it must be registered. Please accept this letter as a waiver of 8.07.

Thanks
